

# The Other Side (feat. CeeLo Green & B.o.B)

Bruno Mars

Truth of the matter is I'm complicated  
You're as straight as they come  
You go about your day, baby  
While I hide from the sun It's better if you don't understand  
'Cause you won't know what it's like until you try You know I  
I'll be waiting on the other side  
And you  
All you got to do is cross the line  
I could wait a whole lifetime  
But you just got to decide  
You know I will be waiting on the other, waiting on the other side  
We would live forever  
Who could ask for more?  
You could die if you wanted  
But baby what for? It's better if you don't understand  
And you won't know what it's like until you try You know I  
I'll be waiting on the other side  
And you  
All you got to do is cross the line  
I could wait a whole lifetime  
But you just got to decide  
You know I'll be waiting on the other, waiting on the other side  
If they say life's a dream, call this insomnia  
'Cause this ain't Wonderland it damn sure ain't Narnia  
And once you cross the line You can't change your mind  
Yeah I'm a monster but I'm no Frankenstein  
And quite frankly I've been feelin' insane In between my eyes  
I really can't explain what I feel inside  
If you knew what I was you'd run and hide (huh)  
Many have tried to go into the night  
And cross over the line and come back alive  
But that's the price we payin' when we livin' on the other side You know I  
I'll be waiting on the other side  
And you  
All you got to do is cross the line  
I could wait a whole lifetime  
But you just got to decide  
You know I'll be waiting on the other, waiting on the other side  
It's better if you don't understand  
It's better if you don't understand  
It's better if you don't understand  
It's better if you don't understand

It's better if you don't understand  
It's better if you don't understand
