

Touchin On My

3OH!3

Girl, I gotta know
How you dance like that
D-d-dance like that
Yeah, dance like that 'Cause you're putting on a show
Can I take you back?
Take you back?
I just gotta ask you to Show me yours, I'll show you mine
Don't you worry, you're too fine
We got one thing on our minds
And we got plenty of time Girl, I gotta go, I'm finished with the show
If you wanna me, I won't say no
T-t-touchin' on my, while I'm touchin' on your
You know that we are gonna, 'cause I don't give a
Girl, I gotta go, I'm finished with the show
If you wanna me, I won't say no
T-t-touchin' on my, while I'm touchin' on your
You know that we are gonna, 'cause I don't give a I can't get you out of my mind with the way
you walk
The way you walk, the way you walk
Baby, you should be a sign, the way you make me stop
Make me stop, make me stop 'Cause some like fast and some like slow
Ladies come and ladies go
Skip the tell and let's just show
'Cause I want you to know Girl, I gotta go, I'm finished with the show
If you wanna me, I won't say no
T-t-touchin' on my, while I'm touchin' on your
You know that we are gonna, 'cause I don't give a
Girl, I gotta go, I'm finished with the show
If you wanna me, I won't say no
T-t-touchin' on my, while I'm touchin' on your
You know that we are gonna, 'cause I don't give a T-t-touchin' on my, while I'm touchin' on your
You know that we are gonna, 'cause I don't give a
T-t-touchin' on my, while I'm touchin' on your
You know that we are gonna, 'cause I don't give a You know I want you, want you, want you
now
And I know you want me, want me, want me now
'Cause there's not that much to figure out
So, baby, let's get down Girl, I gotta go, I'm finished with the show
If you wanna me, I won't say no
T-t-touchin' on my, while I'm touchin' on your
You know that we are gonna, 'cause I don't give a Girl, I gotta go, I'm finished with the show
If you wanna me, I won't say no
