

We Owned The Night

Lady A

[Verse 1]

Tell me, have you ever wanted someone so much it hurts?

Your lips keep trying to speak

But you just can't find the words

Well, I had this dream once

I held it in my head

[Verse 2]

She was the purest beauty

But not the common kind

She had a way about her

That made you feel alive

And for a moment

We made the world stand still

[Chorus]

Yeah, we owned the night

[Verse 3]

You had me dim the lights;

You danced just like a child

The wine spilled on your dress

And all you did was smile

Yeah, it was perfect

I hold it in my mind

[Chorus]

Yeah, we owned the night

Oh yeah

[Bridge]

When the summer rolls around

And the sun starts sinking down

I still remember you

Oh, I remember you

And I wonder where you are

Are you looking at those same stars again?

Do you remember when?

[Verse 4]

We woke under a blanket

All tangled up in skin

Not knowing in that moment

We'd never speak again

But it was perfect

I never will forget

When we owned the night

[Chorus]

Yeah, we owned the night

Yeah

[Outro]

Oh, whoa, oh

Oh, whoa, oh

Oh, whoa, oh

Oh, whoa, oh
