

One of These Nights

Eagles

One of these nights

One of these crazy old nights

We're gonna find out

Pretty mama

What turns on your lights

The full moon is calling

The fever is high

And the wicked wind whispers

And moans

You got your demons

You got desires

Well, I got a few of my own

Oo, someone to be kind to in

Between the dark and the light

Oo, coming right behind you

Swear I'm gonna find you

One of these nights

One of these dreams

One of these lost and lonely dreams

We're gonna find one
One that really screams

I've been searching for the daughter
Of the devil himself
I've been searching for an angel in white
I've been waiting for a woman who's a little
Of both
And I can feel her but she's nowhere
In sight

Oo, loneliness will blind you
In between the wrong and the right
Oo, coming right behind you
Swear I'm gonna find you
One of these nights

One of these nights
In between the dark and the light
Coming right behind you
Swear I'm gonna find you
Get 'ya baby one of these nights
One of these nights
One of these nights
I can feel it

I can feel it

One of these nights

Coming right behind you

Swear I'm gonna find you now

One of these nights..*[etc.]*
