

# Better Left Unsaid

Ariana Grande

[Verse 1]

I told you once, "Get out my life  
I don't need ya, I'll be alright"  
But some things are better left unsaid  
To tell the truth, it hit me hard  
A broken heart is all I have now  
But some things are better left unsaid

[Pre-Chorus]

And I swore that I would never say  
"I miss you more every day"  
But some things are better left unsaid  
Are better left unsaid, said, said

[Chorus]

Oh, I'm gonna say things like "Shut up and kiss me"  
Oh, tonight I'm gonna lose some things  
Don't play me, just kiss me  
If you wanna party, put your hands up  
Put your hands up, put your hands up  
Don't play me, just kiss me  
Oh, tonight I'll say things  
Don't play me, just kiss me, babe

[Verse 2]

I could tell a lie  
Blame tonight  
Too many drinks  
So many reasons that some things are better left unsaid

[Pre-Chorus]

And I swore that I would never say  
"I miss you more every day"  
But some things are better left unsaid  
Are better left unsaid, said, said

[Chorus]

Oh, I'm gonna say things like "Shut up and kiss me"  
Oh, tonight I'm gonna lose some things  
Don't play me, just kiss me

If you wanna party, put your hands up  
Put your hands up, put your hands up  
Don't play me, just kiss me  
Oh, tonight I'll say things  
Don't play me, just kiss me, babe  
If you wanna party, put your hands up  
Put your hands up, put your hands up  
Don't play me, just kiss me  
Oh, tonight I'll say things  
Don't play me, just kiss me, babe

[Bridge]

If you wanna party, put your hands up  
Put your hands up, put your hands up  
If you wanna party, put your hands up  
Put your hands up, put your hands up

[Outro]

I could tell a lie  
Blame tonight  
Too many drinks  
So many reasons that some things are better left unsaid
