

# Soldier

Gavin DeGraw

La ra la ra ra, la ra la ra ra  
la ra la ra ra, la ra la ra ra Where did all the people go?  
they got scared when the lights went low.  
I get you through it nice and slow  
when the world's spinning out of control.  
Afraid of what they might lose  
might get scraped or they might get bruised.  
You can beg on what's the use  
that's why it's called the moment of truth I'd get it if you need it  
I'll search if you don't see it  
you're thirsty, I'll be your rain  
you get hurt, I'll take your pain.  
I know you don't believe it  
but i said it and i still mean it  
when you heard what i told you  
when you get worried I'll be your soldier. Funny when times get hard  
at the last moment when it's supposed to charge  
we are always on the longest yard  
oh they feel their feet get cold.  
Hiding here, hiding there  
find them underneath the stairs  
people hiding everywhere  
trying to be still like a stone. I'd get it if you need it  
I'll search if you can't see it  
you're thirsty, I'll be your rain  
you get hurt, I'll take your pain.  
I know you don't believe it  
but i said it and i still mean it  
when you heard what i told you  
when you get worried I'll be your soldier. My aim is so true  
I wanna show you  
I'll try forever  
I'm never gonna say "surrender". I'd get it if you need it  
I'll search if you can't see it  
you're thirsty, I'll be your rain  
you get hurt, I'll take your pain. I know you don't believe it  
but i said it and i still mean it  
when you heard what i told you  
when you get worried I'll be your soldier.  
I'll be your soldier  
I'll be, oh I'll be your soldier  
La ra la ra ra

I'll be a soldier  
La ra la ra ra  
La ra la ra ra  
La ra la ra ra
