

# Hurricane

## Panic! At the Disco

Are you worth your weight in gold?  
'Cause you're behind my eyelids when I'm all alone  
Hey, stranger, I want you to catch me like a cold  
You and God both got the guns  
When you shoot, I think I'd duck I led the revolution in my bedroom  
And I set all the zippers free  
We said, "No more war, no more clothes!"  
Give me peace  
Oh, kiss me  
Hey! Hey! We are a hurricane  
Drop our anchors in a storm  
Hey! They will never be the same  
A fire in a flask to keep us warm  
'Cause they know, I know  
That they don't look like me  
Oh, they know, I know  
That they don't sound like me You'll dance to anything!  
You'll dance to anything! Oh, I'd confess, I'd confess  
To the rumour of us  
But he didn't come and speak to me  
Or put my heart at ease  
And I believe that half the time  
I am a wolf among the sheep  
Gnawing at the wool over my eyes  
I led the revolution in my bedroom  
And I set all the zippers free  
We said, "No more war, no more clothes!"  
Give me peace  
Oh, kiss me Hey! Hey! We are a hurricane  
Drop our anchors in a storm  
Hey! They will never be the same  
A fire in a flask to keep us warm  
'Cause they know, I know  
That they don't look like me  
Oh, they know, I know  
That they don't sound like me You'll dance to anything!  
You'll dance to anything!  
You'll dance to anything!  
You'll dance to anything! Fix me or conflict me  
I'll take anything  
Fix me or just conflict me  
'Cause I'll take anything Hey! Hey! We are a hurricane

Drop our anchors in a storm  
Hey! They will never be the same  
A fire in a flask to keep us warm  
'Cause they know, I know  
That they don't look like me  
Oh, they know, I know  
That they don't sound like me You'll dance to anything!  
You'll dance to anything!
