

Light Me Up

Icona Pop

I know you've been tryin to wrap your head round who I am
(Oh oh oh oh oh oh oh oh)
You see the melody for you and me is to aim
(Oh oh oh oh oh oh oh oh)
So I'm gonna show ya if you're having doubts
(Oh oh oh oh oh oh oh oh)
That it hurts and it burns when you love who you are
We got a fire started(- part 1)
I won't I won't I won't hesitate
Even if I'm going down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea
(- part 2)
I don't I don't care what they say
Even if I'm going down in flames
Light me up light me up light me up yea
Light me up light me up light me up yeaThe highs and the lows and the rise, I can take the heat
(Oh oh oh oh oh oh oh oh)
I love the melody for you and me, I love it because you
(Oh oh oh oh oh oh oh oh)
And I'm gonna teach ya, make sure you learn
(Oh oh oh oh oh oh oh oh)
It's a game, you don't know really what you're playing til you burn
And we got a fire started(- part 1)
I won't I won't I won't hesitate
Even if I'm going down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea
(- part 2)
I don't I don't care what they say
Even if I'm going down in flames
Light me up light me up light me up yea
Light me up light me up light me up yeaDon't hold me down, going around
Heart on my sleeve 'cause I got no doubts
Know you're coming my way
I've seen you coming a mile away(- part 1)
I won't I won't I won't hesitate
Even if I'm going down in flames
Light me up light me up light me up yea
Light me up light me up light me up yea(- part 2)
I don't I don't care what they say
Even if I'm going down in flames

Light me up light me up light me up yea
Light me up light me up light me up yea(Oh oh oh oh oh oh oh oh)
(Oh oh oh oh oh oh oh oh)
