

# Ten Feet Away

[Keith Whitley](#)

Alone at a corner table  
She was watching me watching her  
I was singing about an old flame burning  
She was hanging onto every word I was pouring out my feelings  
She was pouring out the wine  
Through the smoke and the beer, it was perfectly clear  
That we were touching each other's minds It was love ten feet away  
Imagine her in my arms with that look on her face  
Lying somewhere in some shadowy place  
It was love just ten feet away  
I just knew my closing song would do it  
I knew that I was heaven bound  
I could tell she was moved but before I was through  
This stranger walked up and sat down He was trying his best to impress her  
But she never took her eyes off me  
When he got up and left, I said to myself  
Whoa, what a night this will be It was love ten feet away  
Imagine her in my arms with that look on her face  
Lying somewhere in some shadowy place  
It was love just ten feet away  
It was love ten feet away  
Imagine her in my arms with that look on her face  
Lying somewhere in some shadowy place  
It was love just ten feet away
