

Promises

Nero

[Verse 1]

You got me so wild
How can I ever deny
You got me so high
So high I cannot feel the fire

[Refrain]

And you keep telling me
Telling me that you'll be sweet
And you'll never want to leave my side
As long as I don't break these

[Chorus]

Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself

[Verse 2]

You got me so wild
Why should I be so surprised?
You got me so high
Don't you see it in my eyes?

[Refrain]

And you keep telling me
Telling me that you'll be sweet
And you'll never want to leave my side
As long as I don't break these

Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself

[Bridge]

They are so wasted on myself
They are so wasted on myself
They are so wasted on myself
They are so wasted on myself
They are so wasted on myself

They are so wasted on myself
They are so wasted on myself
They are so wasted on myself
They are so wasted on myself
They are so wasted on myself
They are so wasted on myself
They are so wasted on myself

[Chorus]

Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself
Promises, and they still feel all so wasted on myself
