## **Shotgun (Gerd Janson Remix)**

## George Ezra

Home grown alligator

See you later

Gotta hit the road

Gotta hit the road

Something changed in the atmosphere

Architects are unfamiliar

I can get used to this Time flies by in the yellow and green

Stick around and you'll see what I mean

There's a mountain top that I'm dreaming of

If you need me you know were I'll be I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

The south of be acquainted, navigate it

Gotta hit the road

Gotta hit the road

A dipsy dive around the clock

Bikini bottom, larger tops

I could get used to this Time flies by in the yellow and green

Stick around and you'll see what I mean

There's a mountain top that I'm dreaming of

If you need me you know were I'll be I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

I'll be riding shotgun underneath the hot sun

Feeling like I'm someoneWe got too little fun

Too little that

Singing along

Along with that

Time flies by in the yellow and green

Stick around and you'll see what I mean

There's a mountaintop that I'm dreaming of

If you need me you know were I'll be I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

I'll be riding shotgun underneath the hot sun

Feeling like I'm someone

I'll be riding shotgun underneath the hot sun
