

# Your Love Is Driving Me Crazy

**Sammy Hagar**

I don't mind  
When you act your age  
It suits me fine  
That you treat me like a child And I can't deny  
When I'm with you  
That you step outside  
Of all those fears locked up inside Your love is driving me crazy  
Your love just takes me away  
Your love is driving me crazy  
It takes me all the way What I like  
Is what you've got to offer  
Just my type  
Don't mind playing on the edge  
Your love is driving me crazy  
Your love just takes me away  
Your love is driving me crazy  
It takes me all the way, yeah Lead me to forbidden doors  
You know I'm yours  
Yeah, you got it, yeah, I want it  
Don't you know it baby? Right on time  
A tight fit right on the money  
So sublime  
Hot, sweet cherries on the vine Your love is driving me crazy  
Your love just takes me away  
Your love is driving me crazy  
It takes me all the way, yeah  
Your love is driving me crazy  
Your love just takes me away  
Your love is driving me crazy  
Your love just takes me away, oh yeah Your love, your love  
Your love just takes me away, oh yeah  
Your love
