Big Sean & Metro Boomin

Yeah, yeah, Metro on the beat, Metro on the beat
Ayy, Lil' Metro on that beat...Head so good, pussy so good
If I could quit my job and fuck you all day, shit I would
Yeah, I would
Yeah, I would
If I could quit my job and fuck you all day, shit I would
Head so good, pussy so good
If I could quit my job and fuck you all day, shit I would
Yeah, I would
Yeah, I would
If I could quit my job and fuck you all day, shit I would
I'ma splash, I'ma splash
Pop a pill, I won't even do the half
Do the whole thing, I'ma last, I'ma last
Pussy so good, I never fuck you in the ass
Got a long dick, that shit barely fit
Like O.J. glove, you must aquit
All these other hoes, I must had quit
When you ask me, "What other bitch you fuckin' wit'?"
I grab you up on some hood shit
You look back, like, "Good shit"
Got so deep in that bitch, it felt spiritual
Flooded in that pussy, it's a miracle
Yeah, how the hell you sucked the soul out my dick
Then made me a Visa, started rollin' up the zip
See, that's the shit I'm talkin' 'bout, that's why I fuck with you
I had told all my niggas, they want fuck you too
Got mad, told my niggas they can't fuck with you
'Cause last time we fucked, I fell in love with you
I know my face the perfect tat
You lil baby, I'm the dad, tryna fuck so bad, 'cause that
Head so good, pussy so good
If I could quit my job and fuck you all day, shit I would
Yeah, I would
Yeah, I would
If I could quit my job and fuck you all day, shit I would
Head so good, pussy so good
If I could quit my job and fuck you all day, shit I would
Yeah, I would
Yeah, I would
If I could quit my job and fuck you all day, shit I wouldHead so good, dick is so good
If I could quit my job and fuck you all day, shit I would

If I could quit my job and fuck you all day, shit I wouldYou can smash, you can smash
Hood nigga, you don't even need a pass
But do you think you up for the task?
'Cause this a big body Benz, please don't crash

Love a nigga who ain't scared to put his face in it
And I still remember every single place you lick
So I suck the the soul outcha just to thank that dick

Pussy tight as long johns, I'ma make that fit

If I could quit my job and fuck you all day, shit I would
