

when the party's over

[Billie Eilish](#)

Don't you know I'm no good for you?
I've learned to lose you, can't afford to
Tore my shirt to stop you bleeding
But nothing ever stops you leaving Quiet when I'm coming home, I'm on my own
I could lie and say "I like it like that, like it like that"
I could lie and say "I like it like that, like it like that" Don't you know too much already?
I'll only hurt you if you let me
Call me friend, but keep me closer
I'll call you when the party's over
Quiet when I'm coming home, I'm on my own
I could lie and say "I like it like that, like it like that"
I could lie and say "I like it like that, like it like that"
But nothing is better, sometimes
Once we have said our goodbyes
Let's, let it go
Let me let you go Quiet when I'm coming home, I'm on my own
I could lie and say "I like it like that, like it like that"
I could lie and say "I like it like that, like it like that"
