

# WINE

B Young

See, them man there ain't worth your time  
Baby, don't waste your wine, yeah  
Pour a drink, baby, take your time  
Baby, don't waste your wine  
Yeah, yeah, there ain't no gyal  
like you, no  
Yeah, yeah, them gyal don't move like you, no  
Gyal, you're amazing, standing ovation  
Gyal, you've got patience, like you back to the basics  
Baby, no lying, gyal, you on fire  
Like I just passed you the burner, go on, baby, send me location  
Yeah, yeah, there ain't no gyal  
like you, no  
Yeah, yeah, them gyal don't move like you, no  
No meeting and greeting  
I don't really mind staying in for the weekend  
Just me and you and this bed, we can sleep in  
Share me your feelings, I like hearing you speaking, yeah  
Mmm, got the Maggy creeping  
Turn up the heating  
Lights off, no peeking  
Got the bed creaking  
Shower-head steaming  
Drying off in sheepskin  
Know what you're fiending  
It's a Just Eat ting  
See, them man there ain't worth your time  
Baby, don't waste your wine, yeah  
Pour a drink, baby, take your time  
Baby, don't waste your wine  
Yeah, yeah, there ain't no gyal like you, no  
Yeah, yeah, them gyal don't move like you, no  
Mmm, baby, we can keep it a low low  
Love it when you're moving it slow-mo  
Yeah, tryna get your frame in the photo  
We can go all day on a GoPro  
Nightfall, you can hit me up girl, I invite you  
We ain't gotta give this shit a title  
'Cause I know you stuck up in a cycle  
But they ain't gonna do you like I do  
No, they ain't gonna do it if they try to, no  
Never have I met a girl like you, no way  
Tryna get beside you, ooh, bae, mmm  
See, them man there ain't worth your time  
Baby, don't waste your wine, yeah  
Pour a drink, baby, take your time  
Baby, don't waste your wine  
Yeah, yeah, there ain't no gyal like you, no  
Yeah, yeah, them gyal don't move like you, no
