

66 (feat. Trippie Redd)

Lil Yachty

Racks up, racks up, pullin' out a Bentley truck
Semi, semi, keep it tucked, bad bitch, bubble butt
14, 14, high school, sellin' beans
Dropped out, now I'm rich, flexin' 'til I'm 66 Flexin' 40 bands from the pop out pop out, ayy
Boolin' on the block I got my Glock out, ayy
I just pulled up in a Bentley
All the hatred go right to your fuckin' kidney
Flexin' bands, lil' nigga won't get a penny, yeah
I'ma keep on runnin' it up, ayy
I'ma keep on runnin' it up, fuckin' it up
This choppa bustin' you up, ayy
There you go, testin' your luck, dumb as fuck, yeah (ayy, ooh)
Flexin' baby, pull up in a drop top
Diamonds dancin' on me, they be hopscotch
Bling Blaow, shinin' fresh just like some pop rocks
Fireworks, we gon' pull up to yo' block, pop
Racks up, racks up, pullin' out a Bentley truck
Semi, semi, keep it tucked, bad bitch, bubble butt
14, 14, high school, sellin' beans
Dropped out, now I'm rich, flexin' 'til I'm 66
Racks up, racks up, pullin' out a Bentley truck
Semi, semi, keep it tucked, bad bitch, bubble butt
14, 14, high school, sellin' beans
Dropped out, now I'm rich, flexin' 'til I'm 66 When my brother get out, told him ain't no block
now
Same bitches creepin' all up on my cock now
Twenty bitches and they all comin' with me
Side by side, me and Trippie in the Bentley
And I bought it ain't no rentin'
Baby girl I'm tryna fuck, why is you ventin'?
In 2016, I got hotter than your skate team
In 2018, I need at least like eight rings
Racks up, racks up (gang, gang), pullin' out a Bentley truck (yeah)
Semi, semi, keep it tucked (yeah), bad bitch, bubble butt
14, 14, high school, sellin' beans (beans)
Dropped out, now I'm rich (yeah), flexin' 'til I'm 66 (yeah)
Racks up, racks up (yeah), pullin' out a Bentley truck
Semi, semi, keep it tucked (yeah), bad bitch, bubble butt (aight)
14, 14 (yeah), high school, sellin' beans (beans)
Dropped out, now I'm rich (yeah), flexin' 'til I'm 66
