

# Cool for the Summer

Demi Lovato

[Verse 1]

Tell me what you want  
What you like  
It's okay  
I'm a little curious too  
Tell me if it's wrong, if it's right  
I don't care  
I can keep a secret, can you?

[Pre-Chorus]

Got my mind on your body and your body on my mind  
Got a taste for the cherry, I just need to take a bite  
Don't tell your mother  
Kiss one another  
Die for each other  
We're cool for the summer

[Break]

Ooh-ooh-ooh-ooh-ooh  
Ooh-ooh-ooh-ooh-ooh

[Chorus]

Take me down into your paradise  
Don't be scared, 'cause I'm your body type  
Just something that we wanna try  
'Cause you and I, we're cool for the summer

[Verse 2]

Tell me if I won  
If I did, what's my prize?  
I just wanna play with you too  
Even if they judge, fuck it, I'll do the time  
I just wanna have some fun with you

[Pre-Chorus]

Got my mind on your body and your body on my mind  
Got a taste for the cherry, I just need to take a bite  
Don't tell your mother  
Kiss one another  
Die for each other

We're cool for the summer

[Break]

Ooh-ooh-ooh-ooh-ooh

Ooh-ooh-ooh-ooh-ooh

[Chorus]

Take me down into your paradise

Don't be scared, 'cause I'm your body type

Just something that we wanna try

'Cause you and I, we're cool for the summer

We're cool for the summer

We're cool for the summer

[Interlude]

Shh...

Don't tell your mother

[Breakdown]

Got my mind on your body and your body on my mind

Got a taste for the cherry, I just need to take a bite

[Chorus]

(Take me down) Take me down into your paradise

(Don't be scared) Don't be scared, 'cause I'm your body type

Just something that we wanna try (wanna try)

'Cause you and I (you and I), we're cool for the summer

[Outro]

(Take me down) We're cool for the summer

(Don't be scared), 'cause I'm your body type

(Just something) Just something that we wanna try

'Cause you and I (you and I), we're cool for the summer

Ooh-ooh-ooh-ooh-ooh

We're cool for the summer
