[Verse 1]

Clean your room, do your tax

Back it up, go to class

Go to work, slap my a\*\*

Wash the dishes, do yo math

Make it tik, make it tok

Make it fit, let it rock

Like them geese I gotta flock

Clackity clack, suck my cock, bitch

I saw a lot of money

So I got a lot of money

Now I spend a lot of money

And spent it on a wahhh

Mercedes with my ladies

And a flight to see my baby

Got an issue, calling Jay Z

And I put it on the clock

You're my tiny little boyfriend
