

Two Bodies (feat. Emma Louise)

Flight Facilities

Just two bodies
Just two bodies I've been so ready to dim my mind
Come over or not, I've
Been so ready to dim my mind
Your body a drug, for mine
Two bodies moving in
Time and space to try and heal me
I know what I want, so come over and
Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me
You're closed, you're a book. No lines
Can't read you if I try
And if that's the way you want it
That's fine I'll just close my eyes and
Try to ignore you, a free ride for you to
Just two bodies
Just two bodies Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me
Hold me, I won't ask for anything more
I'm hurting, use now when I'm vulnerable
It helps me fake some love for a little while
I know what I want, so take advantage of me
