

# No Future

[blink-182](#)

She said tonight's a waste of time  
The next day the sun will always rise  
Every day that you waste  
Every promise you break  
Slips beneath the floor  
It's a permanent state  
From a moment's mistake  
But life's worth so much more

You don't know a thing about it  
Hours lost to dawn from dusk, yeah  
And they don't care about you (No future)  
Let the music seal your fate, yeah  
You can run but life won't wait, yeah  
They don't care about you (No future)

She said that it's too late to try  
Someday I'll smile and say goodbye  
Every night that you fight  
Every demon inside  
Sleeping on the floor  
Wide awake from the dream  
With a shake and a scream  
Hope for so much more

You don't know a thing about it  
I was lost to dawn from dusk, yeah  
They don't care about you (No future)  
Let the music seal your fate, yeah  
You can run but life won't wait, yeah  
They don't care about you (No future)

Na, na na, na na, na na na  
Na, na na, na na, na na na  
They don't care about you

Na, na na, na na, na na na  
Na, na na, na na, na na na  
They don't care about you

Where did she go?  
And what did she hope to find there?

Where did she go, (did she go, did she go?)  
And what did she hope to find there?

Where did she go, did she go, did she go?  
Where did she go to find it

Where did she go, did she go, did she go?  
Where did she go to find it

You don't know a thing about it  
I was lost to dawn from dusk, yeah  
They don't care about you (No future)  
Let the music seal your fate, yeah  
You can run but life won't wait, yeah  
They don't care about you (No future)

Na, na na, na na, na na na  
Na, na na, na na, na na na  
They don't care about you

Na, na na, na na, na na na  
Na, na na, na na, na na na  
They don't care about you
