

Good to Be a Man

[Elle King](#)

Its good to be a man these daysdont have no conscious about my evil waysdont ever feel bad
for the awful things I sayits good to be a man these daysTo be a man would be serene
drinking beer till i get meanchewing tabacokissing girl like lifes a dreamto be a man would be sereneand
i bet it gets tieringalways having to be rightwell id love to be a cheating manto fill those lonely
nightsto be a man would be just finemy only worry would be my reseeding hair linei only give
love thats on my own timeto be a man would be just fineto be a man would be damn goodid do
dumb things cause i shouldgetting stuck in a ditch like my woman knew i wouldto be a man
would be damn goodIts good to be a man these days
