

# Candy

## Doja Cat

I can name a couple ways, baby, this shit might go  
You just might forget that this was what you're getting high for  
And it might do the things to him, I mean the guy who  
He's the one who's sweet enough, who'll shoot to make that high note And it's such a typical  
thing

Running over a millionaire  
Running through a difficult place  
You don't need no blood on your hands, no She's just like candy, she's so sweet  
But you know that it ain't real cherry, know that it ain't real cherry  
She's just like candy, she's so sweet  
But you know that it ain't real, know that it ain't real  
She's just like candy, she's so sweet  
But you know that it ain't real cherry, know that it ain't real cherry  
She's just like candy, she's so sweet  
But you know that it ain't real, know that it ain't real  
I can be your sugar when you're fiending for that sweet spot  
Put me in your mouth, baby, and eat it 'till your teeth rot  
I can be your cherry, apple, pecan, or your key lime  
Baby I got everything and so much more than she's got And it's such a typical thing

Running over a million [?]  
Running through a difficult place  
You don't need no blood on your hands, no She's just like candy, she's so sweet  
But you know that it ain't real cherry, know that it ain't real cherry  
She's just like candy, she's so sweet  
But you know that it ain't real, know that it ain't real  
She's just like candy, she's so sweet  
But you know that it ain't real cherry, know that it ain't real cherry  
She's just like candy, she's so sweet  
But you know that it ain't real, know that it ain't real  
Sugar coated, lies unfolded  
You still lick the wrapper  
It's addictive, you know this  
But you still lick the wrapper  
Sugar coated, lies unfolded  
You still lick the wrapper  
It's addictive, you know this  
But you still lick the wrapper She's just like candy, she's so sweet  
But you know that it ain't real cherry, know that it ain't real cherry  
She's just like candy, she's so sweet  
But you know that it ain't real, know that it ain't real  
She's just like candy, she's so sweet  
But you know that it ain't real cherry, know that it ain't real cherry

She's just like candy, she's so sweet  
But you know that it ain't real, know that it ain't real
