Why would I lie about the body count?
If they pull the plug then that body count (They pull the plug, then that body— Yeah)

Why would I lie about the body count? (Huh?)
Why would you pull up on me unannounced? (Huh?)
I'm hold loose at the haunted house
It's all kinda zombies runnin' in and out
Who want the clout?
We hit him five time, that nigga died and came back to life
Posted a picture while he in the 'spital (Ayy)
He goin' up, gang on the likes
Why would I lie about the body count? (Huh?)

Pulled up on the side of blood, start beatin' shit to the fat meat
Shooter shootin' out the passenger (Ayy), shooter shootin' out the back seat
Nigga think I'm just rappin' 'bout it, said, "Ayy, run a check on my rap sheet" (Ayy, run a check on my rap sheet)

General population in the bounty, don't get me no black tee
You gon' fuck around and die on the stage, nigga, at a show be on rap beef
Frontlinin' on the backstreets, I'm a tax-free type of nigga (I'm a tax-free type of nigga)
The homie talkin' 'bout his war stories, I was half-sleep on that nigga (I was half-sleep)
Want a Band-Aid for the chopstick, I gotta have beef with that nigga (I gotta have beef with that nigga)
Want respect from the young life, then you gotta slap yeek for that nigga (Slap yeek for that nigga)

But who want the clout? (Who?)
Niggas ain't gang, they goofy, get gemstarred runnin' they mouth

Nigga, this Von on the song, yeah, stop, put his ass in the clouds (Boom, boom)
I graduated from drive-bys (Yeah)
When I'm on your car, ain't no stoppin' at stop signs (Boom, boom)
I'm layin' low 'til it die down
Then spin back around and I'm lettin' off some more rounds (Boom, boom, boom)
I'm who they call when it's bustin' (Uh-huh)
Can't sit behind me, I don't trust him (Uh-huh)
Boy, that nigga dead, don't touch him
Roll him in the 'Wood same night, we like, "Fuck him" (Boom, boom, on gang)
If we get the drop, we rush (We rush)
Where I'm from, everybody got a pole (Got a pole)
Where I'm from everybody gon' blow
When the jakes as questions, everybody play slow
If you got a few bodies, everybody gon' know
They ain't even gotta see it, that's just how the shit go
