

# Overtime (Candyland & DotEXE Remix)

## Cash Cash

Get down, get up again  
Come on, come on move  
Get down, get up again  
Work it, do it overtime  
Get down, get up again  
Come on, come on right to down  
Get up again, work it, do it overtime  
Work it, wo-wo-wo-work it  
Wo-wo-wo-work it  
Wo-wo-wo-work it do it overtime  
Get down, get down  
Get down, get up again  
Come on, come on move  
Get down, get up again  
Get down, down  
Get down  
Get down  
Get down  
Get down  
Get up again  
Come on, come on move  
Get down, get up again  
Work it, do it overtime  
Get down, get up again  
Come on, come on right to down  
Get up again, work it, do it overtime  
Wo-wo-wo-work it  
Wo-wo-wo-work it  
Wo-wo-wo-work it  
Wo-wo-wo-work it do it overtime  
A feeling that I know so well  
Oh it's got me in it's spell  
A feeling that I know so well  
Oh it's got me in its spell  
A feeling that I know so well  
Oh it's got me in its spell  
It's such a sweet sensation, oh, oh  
Get down, get up again  
Come on, come on move  
Get down, get up again

Work it, do it overtime  
Get down, get up again  
Come on, come on move  
Get down, get up again  
Work it, do it overtime  
Get down, get up again  
Come on, come on move  
Get down, get up again  
Work it, do it overtime  
Get down, get up again  
Come on, come on right to down  
Get up again, work it, do it overtime  
The feeling that I know so well  
Oh it's got me in its spell  
The feeling that I know so well  
Oh it's got me in its spell  
Oh a feeling that I know so well  
You got me burning up with your love  
Oh it's got me in its spell  
A feeling that I know so well  
Oh it's got me in its spell  
A feeling that I know so well  
Oh it's got me in its spell  
A feeling that I know so well  
Oh it's got me in its spell
