

# Skrt Skrt

Tory Lanez

I think it's time we made  
Time to fuck around off this Patron  
If you got time I'll wait  
Just give it to me any way you want  
Cuz you and me, don't need, anybody else  
Just you on me  
Cuz I don't need no help noCuz I like freaking  
You like sex on the weekend  
Me too me too  
Cuz I like drinking  
You looking at me winking  
Me to me too  
(ohh ohh ohh)  
So give me the work  
(ooh ohh ohh)  
So give me the work  
(ohh ohh ohh)  
You gon make me  
Skrt skrt  
You gon make me  
Stop stop  
So give me the work  
(ohh ohh ohh)  
So give me the work  
(ohh ohh ohh)  
You gon make me  
Skrt skrt  
You gon make me  
Stop stop  
If I take my time  
Tell me will you wait, wait on yea  
Cuz every sip I take  
Feels like it's about to get me gone  
Cuz you and me don't need anybody else  
Just you on me  
Cuz I don't need no help noCuz I like freaking  
You like sex on the weekend  
Me too me too  
Cuz I like drinking  
You looking at me winking  
Me to me too  
(ohh ohh ohh)

So give me the work  
(ooh ohh ohh)  
So give me the work  
(ohh ohh ohh)  
You gon make me  
Skrt skrt  
You gon make me  
Stop stop  
So give me the work  
(ohh ohh ohh)  
So give me the work  
(ohh ohh ohh)  
You gon make me  
Skrt skrt  
You gon make me  
Stop stop  
If you down I'm down  
You gon know I'm down  
To love you baby  
If you down I'm down  
You gon know I'm down  
To love you baby
