

Say You Love Me (feat. Skylar Grey)

[Seeb](#)

I can tell you think that you're a little important
You really are, you really are
It doesn't really matter if your heart isn't dormant
It's a trivial, be honest Can you shed some light
Let me in tonight
I've been out here in the cold
Can you take my hand
Help me understand
'Cause I'm leaving if you don't Say you love me, love me
Say you love me, love me
I'm so tired of saying it alone
Say you love me, love me
Say you love me, love me
'Cause it hurts to say it alone
Let me in, let me in, let me in
Let me in, let me in, let me in You can be a dick but I can never deny ya
You're brilliant, you're brilliant
The problem that I have is that you're constantly hiding
Your feelings
So let's be honest Can you shed some light
Let me in tonight
I've been out here in the cold
Can you take my hand
Help me understand
'Cause I'm leaving if you don't Say you love me, love me
Say you love me, love me
I'm so tired of saying it alone
Say you love me, love me
Say you love me, love me
'Cause it hurts to say it alone
Let me in, let me in, let me in
Let me in, let me in, let me in Can you shed some light
Let me in tonight
I've been out here in the cold
Can you take my hand
Help me understand
'Cause I'm leaving if you don't Let me in, let me in
