

Sing

My Chemical Romance

Sing it out
Boy, you've got to see what tomorrow brings
Sing it out
Girl, you've got to be what tomorrow needs
For every time that they want to count you out
Use your voice every single time you open up your mouthSing it for the boys
Sing it for the girls
Every time that you lose it sing it for the world
Sing it from the heart
Sing it 'till you're nuts
Sing it out for the ones that'll hate your guts
Sing it for the deaf
Sing it for the blind
Sing about everyone that you left behind
Sing it for the world
Sing it for the world
Sing it out, boy they're gonna sell what tomorrow means
Sing it out, girl before they kill what tomorrow brings
You've got to make a choice
If the music drowns you out
And raise your voice
Every single time they try and shut your mouthSing it for the boys
Sing it for the girls
Every time that you lose it sing it for the world
Sing it from the heart
Sing it 'till you're nuts
Sing it out for the ones that'll hate your guts
Sing it for the deaf
Sing it for the blind
Sing about everyone that you left behind
Sing it for the world
Sing it for the world
Cleaned-up corporation progress
Dying in the process
Children that can talk about it
Living on the web-ways
People moving sideways
Tell it 'till your last days
Buy yourself a motivation
Generation Nothing!
Nothing but a dead scene
Product of a white dream

I am not the singer that you wanted
But a dancer
I refuse to answer
Talk about the past, sir
Wrote it for the ones who want to get away
Keep running! Sing it for the boys
Sing it for the girls
Every time that you lose it sing it for the world
Sing it from the heart
Sing it 'till you're nuts
Sing it out for the ones that'll hate your guts
Sing it for the deaf
Sing it for the blind
Sing about everyone that you left behind
Sing it for the world
Sing it for the world
Got to see what tomorrow brings
Sing it for the world
Sing it for the world
Girl, you've got to be what tomorrow needs
Sing it for the world
Sing it for the world
