

# Can You Do This

Aloe Blacc

Grab your shotgun, cock it back  
Shoot the sun until the sky is black  
Now I sure hope that the sun got rhythm  
Cause he gonna dance when that music hit 'em  
Like bang, bang, bang  
Darkness falls  
In the night time, I'm camouflage  
Now I, I, I, I don't know who you are  
But girl I wanna know if you can move like this  
And I, I, I, I don't know if you're gonna tell me but I wanna know what your name is  
And you gonna make me fall in love with you with you keeping shaking your hips  
Now can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
I know you think that you can move  
But can you groove the way I groove?  
Grab your sling shot, fire the stone  
Shoot the moon until the night is gone  
Now I sure hope that moon got rhythm  
Cause he gonna rock when my stone hit 'em  
Like boom, boom, boom  
Let me shine  
He should know that the day is mine  
Now I, I, I, I don't know who you are  
But girl I wanna know if you can move like this  
And I, I, I, I don't know if you're gonna tell me but I wanna know what your name is  
And you gonna make me fall in love with you with you keeping shaking your hips  
Now can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
I know you think that you can move  
But can you groove the way I groove?  
Now why you standing on the wall?  
Did you come to dance at all?  
I'm watching you girl watching me  
If you got moves then let me see  
Can you do this?  
Can you do this lady?  
Can you do this?  
Can you move like I do?

Can you do this?  
Can you shake, shake it mama?  
Can you do this?  
Can you work it on out?  
Can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
Can you do this? Yeah, I can do that  
I know you think that you can groove  
But can you move the way I move?
