

Don't Forget Where You Belong

One Direction

[Verse 1: Liam & Niall]

Been a lot of places
I've been all around the world
Seen a lot of faces
Never knowing where I was
On the horizon, mm, but I know, I know, I know, I know
The sun will be rising back home
Living out of cases
Packing up and taking off
Made a lot of changes
But not forgetting who I was
On the horizon, ooh, well I know, I know, I know, I know
The moon will be rising back home

[Chorus: All & Harry]

Don't forget where you belong, home
Don't forget where you belong, home
If you ever feel alone, don't
You were never on your own
And the proof is in this song

[Verse 2: Harry & Harry and Liam]

I've been away for ages
But I got everything I need
I'm flicking through the pages
I've written in my memory
I feel like I'm dreaming, oh, so I know, I know, I know, I know
That I'm never leaving, no, I won't go

[Chorus: All & Harry]

Don't forget where you belong, home
Don't forget where you belong, home
If you ever feel alone, don't
You were never on your own
And the proof is in this song

[Bridge: Louis & Zayn & All]

Lights off when they should be on
Even stars in the skies, they're wrong
Short days, when the nights are long

When I think of the things I've done
Don't matter how far I've gone
I'm always free to run home

[Chorus: All & Zayn & Liam & (Niall)]

Don't forget where you belong, home
Don't forget where you belong, home

Don't forget it

If you ever feel alone, don't
You were never on your own

Never, never, never

Don't forget where you belong, home

Don't forget it

Don't forget where you belong, home

If you ever feel alone, don't
You were never on your own
And the proof is in this song

Home

Don't forget it

Home, if you ever feel alone, don't

You were never on your own

You were never

And the proof is in this song
(Never forget it, this song)

Don't forget it

No I'll never forget it, this song

You were never
