

# Such a Night

Dr. John

Such a night, it's such a night  
Sweet confusion under the moonlight  
Such a night, such a night  
To steal away, the time is right Your eyes caught mine, and at a glance  
You let me know that this was my chance  
But you came here with my best friend Jim  
And here I am, tryin' to steal you away from him Oh, but if I don't do it, you know somebody  
else will  
If I don't do it, you know somebody else will  
If I don't do it, you know somebody else will  
If I don't do it, you know somebody else will  
And it's such a night, it's such a night  
Sweet confusion under the moonlight  
It's such a night, such a night  
To steal away, the time is right Yeah, I couldn't believe my ear  
And my heart just skipped a beat  
When you told me to take you walkin' down the street  
Oh yeah, you came here with my best friend Jim  
Here I am, I'm stealin' you away from him  
Oh, but if I don't do it, you know somebody else will  
If I don't do it, you know somebody else will  
If I don't do it, you know somebody else will  
If I don't do it, you know somebody else will 'Cause it's such a night
