

# Let's Get Blown

## Snoop Dogg

Yes sir Can I get more thrills?  
You know you want some more girl, so come on  
Can I get more thrills?  
You know you want some more girl, so come on  
Let's get blown, let's get blown Looking at the ladies, all of them fly  
I don't know which one I want dawn  
I can't make up my mind, girl  
So won't you make it easy on me  
And take this drink, then hit this weed?  
Two step wit me, let's slip to the dance floor  
On and on and on and on we go  
I'll dip you if you want me to  
You see I really wanna get a little front wit you, bigidy bump wit you  
A nigga wanna hump you and then just comfort you  
And then I'll pop the top and lay you on the cot  
And get you nice and hot  
Yeah yeah, it's all to the real  
We could do it like guy, c'mon girl let's chill Can I get more thrills?  
You know you want some more girl, so come on  
Can I get more thrills?  
You know you want some more girl, so come on  
Let's get blown, let's get blown Now you can fly the friendly skies  
With the S-N double O-P D-O double G-Y  
Now don't ask why, just keep looking good in the hood  
Damn girl, you so fly, we could do what you want to  
You say you drink Alize or was is Malibu?  
It don't really matter though  
You remind me of the time when I had a ho  
She kept telling me Doggy Dogg I gotta go  
So I let her get in the wind and co-macked her friend  
2 plus 2, it equals 4, this is some shit that could last forever more  
I'm trying to put my bid in, naw I'm just kidding  
Come on ma get in, and don't ask where we going  
Pimping and hoeing, drink pouring and weed blowing  
You know it c'mon Can I get more thrills?  
You know you want some more girl, so come on  
Can I get more thrills?  
You know you want some more girl, so come on  
Let's get blown, let's get blown I've been looking at you, from the corner of my eyes  
Checking out your hips, lips, tits and your thighs  
I've been wanting to do you for a mighty long time  
You make a pimp wanna sing I, I, I We'll head to the hills, your dreams I'll fulfill

We could do it how you want 'cause I'm oh so real  
Tell me you, naw I won't squeal  
You wit Da Big Boss Dogg so seal the deal  
Pharrell got the Baby face and Dogg got the Whip Appeal  
So name the place  
This love I bring to you, on the real baby girl  
Won't you do me a favor and sing for Snoop? Can I get more thrills?  
You know you want some more girl, so come on  
Can I get more thrills?  
You know you want some more girl, so come on  
Let's get blown, let's get blown You know you want it  
(If I got it I'm a give it to you)  
So come and get it!  
(If I got it I'm a give it to you)  
If I got it  
(If I got it I'm a give it to you)  
(Then you can get it)  
Ya know  
(Hey)
