

Lonely

Diplo & Jonas Brothers

Wanna ride with you till the wheels fall off
Till we're running out of road
Wanna dance with you till the music stops
Till we got no place to go Everybody needs a place to hide
This don't have to be a bumpy ride
I think we should be alone tonight
'Cause we don't have to be lonely
Everybody needs some company
Let's talk about it over one more drink
I think you should be alone with me
'Cause we don't have to be lonely
Don't have to be lonely
Lonely
Don't have to be lonely, lonely
Don't have to be lonely
Don't have to be lonely Wanna ride with you till the world stands still
Like there's no one else but us
Wanna dance with you till we can't stand up
Till we both give into love Everybody needs a place to hide
This don't have to be a bumpy ride
I think we should be alone tonight
'Cause we don't have to be lonely
Everybody needs some company
Let's talk about it over one more drink
I think you should be alone with me
'Cause we don't have to be lonely
Don't have to be lonely
Don't have to be lonely
Don't have to be lonely
Don't have to be
We don't have to be lonely Wanna ride with you till the wheels fall off
Till we're running out of road
