

Stuck in a Dream (feat. Gunna)

Lil Mosey

Oh-oh

Ayy Royce, you did it right here Still poppin' Xans, 2019

Pour up the lean, got me stuck in a dream

Started hittin' licks back in 2014

I got the ice on me, dripping Céline

Fives came in off a hunt

Me and my niggas still drippin' for fun

Been knew I was the one

Still got niggas on the run, yeah

I got these diamonds, my chain swangin'

I got these bands, ain't shit changed

Talkin' like you want that smoke (Smoke)

We want the same thing (Brrt)

I got a brand new chain (Chain)

Then I wear ten on my neck, mhm

Then I got a new Patek, yeah

Flyin' that bitch with a text

Six on a new fit, 50 for a drop top

I was off a bean, tell me your watch type

Never been a lame, shoulda made top drops

Smokin' on gas, ooh, I lift off

Heard she was broke, this shit .40 on a Patek

I keep 40 racks in my Seattle addict

I hit her two times, then you niggas can have it

My nigga pull up and shoot like the Magic's

Still poppin' Xans, 2019

Pour up the lean, got me stuck in a dream

Started hittin' licks back in 2014

I got the ice on me, dripping Céline

Fives came in off a hunt

Me and my niggas still drippin' for fun

Been knew I was the one

Still got niggas on the run, yeah I made it out of the hood (Hood)

I still got some dawgs on the run, yeah

This shit comin' in by the tonne (Tonne)

I started this rap shit for fun, yeah

Last weekend I was in Milan (Milan)

You niggas ain't did what I done, yeah

You fucked in the rise of the sun (sun)

My girl got a bag full of buns, yeah

Hit it, I speed up the Porsche (Skrt)

Night livin' is a sport (Sport)

They pay to listen to my voice (Voice)
If you poor, gotta make you a choice (Choice)
I could play with your heart, make her moist (Yeah)
Told her "Call me", she don't need a toy (Call)
I'm a saucy young nigga, no soy (Soy)
And they know not to play with the boy, yeah Still poppin' Xans, 2019
Pour up the lean, got me stuck in a dream
Started hittin' licks back in 2014
I got the ice on me, dripping Céline
Fives came in off a hunt
Me and my niggas still drippin' for fun
Been knew I was the one
Still got niggas on the run, yeah Ayy Royce, you did it right here
