Remind Me (duet with Brad Paisley)

Carrie Underwood

We didn't care if people stared
We'd make out in a crowd somewhere
Somebody'd tell us to get a room
It's hard to believe that was me and you
Now we keep saying that we're okay
But I don't want to settle for good not great
I miss the way that it felt back then I wanna feel that way againBeen so long that you'd forget
the way I used to kiss your neck
Remind me, remind me
So on fire so in love. Way back when we couldn't get enough
Remind me, remind meRemember the airport dropping me off
We were kissing goodbye and we couldn't stop
I felt bad cause you missed your flight
But that meant we had one more night
Do you remember how it used to be
We'd turn out the lights and we didn't just sleep
Remind me, baby, remind me
Oh, so on fire so in love
That look in your eyes that I miss so much
Remind me, baby, remind meI wanna feel that way
Yeah, I wanna hold you close
Oh, if you still love me
Don't just assume I knowBaby, remind me, remind meDo you remember the way it felt?
You mean back when we couldn't control ourselves
Remind me
Yeah, remind me
All those things that you used to do
That made me fall in love with you
Remind me, oh, baby, remind me
Yeah, you'd wake up in my old t-shirt
All those mornings I was late for work
Remind meOh, baby, remind meOh, baby, remind me, baby, remind me
Yeah, you'd wake up in my old t-shirt
Remind me, yeah, oh
Baby, remind me
