Give me a heart attack and throw it back
Now watch me get it
Ain't new to this but you the shit
Damn, girl you pretty
Blowing out your candles, let me make a couple wishes Remember how you did it?
Remember how you fit it?
If you still wanna kiss it
Come, c-come and get it
Sweeter than a rice cake, cake worth sipping
Kill it, tip it, cake fill it If you sexy and you know it
And you ain't afraid to show it
Put a candle on my motherfucking back baby blow it
Love the way you do when you do it like that
Show up with the stats, bring the racks on my racks
Wrap it up, wrap it up boy
While I take this bow off
Top that talk yeah I know I'm such a show off
Daddy make a wish
Put this cake in your face
And it's not even my birthday Ooh it's not even her birthday (her birthday)
But I wanna lick the icing off (the icing off)
Give it to her in the worst way (the worst way)
Can't wait to blow her candles out I want that cake, cake
Cake, cake, cake, cake, cake
Cake, cake, cake, cake, cake
Cake, cake, cake
Ooh baby, I like it
You're so excited
Don't try to hide it
I'mma make you my bitch Cake, cake, cake, cake
Cake, cake, cake, cake
Cake, cake, cake, cake
Cake, cake, cake
I know you wanna bite this
It's so enticin'
Nothin' else like this
I'mma make you my bitch Cake, cake, cake, cake
Cake, cake, cake, cake
