

# Freight Train

Aaron Watson

I'm gonna give em that 2, 4, 4 on the floor, like an outlaws boys on the day  
Before. got the pretty girls out there begging for more,  
Gotta give em all what  
They came here for. Doin' my thing singing my song,  
Right on track I'm chugging  
Along. I'm here and gone like yesterday,  
Rolling like an old freight train. On a  
Wing and a prayer and a glorified greyhound bus,  
Flying down the road running  
9-0 and kicking up dust. Drinkin' truck stop coffee  
Countin' birds on those  
Telephone wires. Burnin' the midnight oil  
And the tread off these old goodyear  
Tires. I'm gonna give em that 2, 4, 4 on the floor,  
Like an outlaws boys on the day  
Before. got the pretty girls out there begging for more,  
Gotta give em all what they came here for.  
Doin' my thing singing my song, right on track I'm chugging  
Along. I'm here and gone like yesterday, rolling like an old freight train.  
And sometimes my mind is a million miles away,  
I know you're sound asleep at  
Home while I'm on this stage. and I'm missing you  
Wishing I was kissing you  
Everyday. but girl I gotta keep rollin',  
Rollin like an old freight train. and its a  
Mighty lonesome sound when there's not soul around  
To help you ease your pain,  
But you gotta keep rollin'. Rollin' like an old freight train.  
I'm gonna give em that  
2, 4, 4 on the floor, like an outlaws boys on the day before.  
Got the pretty  
Girls out there begging for more,  
Gotta give em all what they came here for.  
Doin' my thing singing my song, right on track I'm chugging along.  
I'm here and gone like yesterday, rolling like an old freight train,  
Comin' on down the line  
Feel that diesel engine whine, smell the smoke stack,  
Hear the gears grind full steam ahead halfway out of my mind  
I'm too far gone to be turning back  
Going clickity clack down the railroad tracks.  
I'm here and gone like yesterday  
Rolling like an old freight train. just like an old freight train.

Tell me do you wanna ride this train.
