

Never Ending Runs

Ricky Dillon

Chasing the rain, never ending runs
Simple weekends, let them overflow
We want it easy, we take it as it comes
We'll keep chasing, the never ending runs
Oh, it ain't for everyone and that's ok
We're here, we're freed, we're young
Livin life our way
Ohhh
Livin life our way
Ohhh
Livin life our way

Instrumental

No rewinding, we always leave our mark
See us rising, fighting to the top
No it ain't easy, we take it as it comes
We'll keep chasing, the never ending runs
Oh, it ain't for everyone and that's ok
We're here, we're freed, we're young
Livin life our way
Ohhh
Livin life our way
Ohhh
Livin life our way

Instrumental

Our way, livin life our way
Our way, livin life our way
Our way, livin life our way
Our way, livin life our way

Instrumental

My people where ya at?
If you hear me, yell it back
One thought for the dreamers yeah say, "Hey"
Stand up if you feel the vibe
Hands up if you feel alive

All my dreamers here tonight say, "Hey"
Oh, it ain't for everyone and that's ok
We're here, we're freed, we're young
 Livin life our way
 Ohhh
 Livin life our way
 Ohhh
 Livin life our way

Instrumental

Our way, livin life our way
Our way, livin life our way
