

Pavement Ends

Little Big Town

[Verse 1]

Take me back to the muddy water
Where the bull and the cow don't bother
Pick up a girl I know won't holler
Head out of town, watch the sun go down
Maybe later we'll call some friends
Tell them meet us where the pavement ends

I got some fat wood rolling in a truck bed
Fine pine, that's what she said
I found it in the forest where the
Kindling's strong
It burns real hot, but it don't last long
Just cause I got her warm don't mean I'll see skin
But I'm going to start a fire where the pavement ends

[Chorus]

You can get you a buzz
Blame it on the radio
Find a lighter, live a little high
Take it all in, let the good times roll
And on a clear night
Who needs the headlights?
Drop it in low, drive by the moonlight
Out here the world don't spin
Everything stops where the pavement ends

[Verse 2]

Drop me off on home grown red clay
Where the deer and the possum do play
Turn off the phone, It's never too late to cast a line
Catch a piece of mind
Life's too fast to run my friend
Slow it on down where the pavement ends

[Chorus x2]

You can get you a buzz
Blame it on the radio
Find a lighter, live a little high
Take it all in, let the good times roll

And on a clear night
Who needs the headlights?
Drop it in low, drive by the moonlight
Out here the world don't spin
Everything stops where the pavement ends
You can get you a buzz
Blame it on the radio
Find a lighter, live a little high
Take it all in, let the good times roll
And on a clear night
Who needs the headlights?
Drop it in low, drive by the moonlight
Out here the world don't spin
Everything stops where the pavement ends

[Outro]
Everything stops where the pavement ends
