Back It Up (feat. Pitbull)

Prince Royce

What's up, baby?
It's your new boyfriend
RoyceOh yeah
Yo, it's got that dancehall, feel to it
Prince Royce, Mr. Worldwide
Take over, that's rightGirl, your body is timeless (yeah)
Girl, your body got me like
Oh my gosh, oh my god
Oh mamaAnd you're making me earn it (yeah)
Girl, you're making me earn it
Oh my gosh, oh my god
Oh mama
Ain't nothing fake on you
You so, so real
Try playing cool
But can't help how I feelI love it when you drop it down
Baby, back, back, back it up
Dámelo, papi chulo
Dámelo, papi chuloYou turn around and make it bounce
Baby, back, back, back it up
Dámelo, papi chulo
Dámelo, papi chuloOh, I wish I was stronger (yeah)
But you're making it harder
Oh my gosh, oh my god
Oh mama
And you make me go longer (yeah)
Say it over and over
Oh my gosh, oh my god
Oh mamaAin't nothing fake on you
You so, so real
Try playing cool
But can't help how I feelI love it when you drop it down
Baby, back, back, back it up
Dámelo, papi chulo
Dámelo, papi chuloYou turn around and make it bounce
Baby, back, back, back it up
Dámelo, papi chulo
Dámelo, papi chuloBoom, boom, mami, mami, mami
Damn, you're sexy
Boom, boom, mami, mami, mami
Damn, you're fine
Boom, boom, mami, mami, mami

You on fire
Boom, boom, mami, mami, mami
Let's rideNow back it up
Push your booty out
Move it in, move it out
Now wind it up
While I grind it up
Like a twenty sack
And roll it outYou can go anywhere in the world
And you know that they know about me
I don't think you really wanna ask your girl
If she knows anything about meNah, nah, you don't
Word of advice: want a happy life?
Don't look for what you don't want to find
But before your boyfriend finds out
Back it up one more time, daleDámelo, mami chula
Dámelo, mami chula
Dámelo, papi chulo (yeah)
Dámelo, papi chulo
So back, back, back it upI love it when you drop it down
Baby, back, back, back it up
Dámelo, papi chulo (yeah)
Dámelo, papi chuloYou turn around and make it bounce
Baby, back, back, back it up
Dámelo, papi chulo
Dámelo, papi chuloI love it when you drop it down
Baby, back, back, back it up
Dámelo, papi chulo
Dámelo, papi chuloYou turn around and make it bounce
Baby, back, back, back it up
Dámelo, papi chulo
Dámelo, papi chulo
