[Chorus: ZHU]

All me, mama put it on me
I'm her child, I'm the only
Living life of my own, own
Lonely, I grew up feeling lonely
Even when I'm with homies
It's just not enough, enough

I keep on calling, I keep it all in

Looking for someone to love
Waiting for you, want you to know I'm
Looking for someone to love
Waiting for somebody to love me
Looking for someone to love
