

# I Was Here

## Beyoncé

I wanna leave my footprints on the sands of time  
Know there was something that, and something that I left behind  
When I leave this world, I'll leave no regrets  
Leave something to remember, so they won't forget

I was here...  
I lived, I loved  
I was here...  
I did, I've done, everything that I wanted  
And it was more than I thought it would be  
I will leave my mark so everyone will know  
I was here...

I want to say I lived each day, until I died  
I know that I had something in, somebody's life  
The hearts I have touched, will be the proof that I leave  
That I made a difference, and this world will see

I was here...  
I lived, I loved  
I was here...  
I did, I've done, everything that I wanted  
And it was more than I thought it would be  
I will leave my mark so everyone will know I was here...

I was here...  
I lived, I loved  
I was here...  
I did, I've done, everything that I wanted  
And it was more than I thought it would be  
I will leave my mark so everyone will know  
I was here...

I just want them to know  
That I gave my all, did my best  
Brought someone to happiness  
Left this world a little better just because...

I was here...

I was here...  
I lived, I loved

I was here...  
I did, I've done, everything that I wanted  
And it was more than I thought it would be  
I will leave my mark so everyone will know  
I was here...
