

# Cyclone (feat. T-Pain)

## Baby Bash

O-oh (O-oh) O-oh (O-oh) O-oh (O-oh)  
Swanananani (nanani, nanani, nanani) She moves her body like a cyclone  
And she makes me wanna do it all night long, Going hard when they turn the spotlights  
on Because she moves her body like a cyclone, Just like a cyclone She moves her body like a  
cyclone, And she makes me wanna do it all night long  
Going hard when they turn the spotlights on, Because she moves her body like a cyclone, Her  
mighty cyclone  
Now look at that peppa' On the back of that bumpa'  
She aint even playin When she's shakin that ruppa'  
And oh, you aint know? She gets lower than a muffla' Even with her girlfriends Show stopping  
with a hustla'  
The way she move her body She might see the Maserati  
She wanna put it on me Tryna show me her tsunami  
She make it hard to copy Always tight, never sloppy  
And got an entourage And her own paparazzi  
Now there she go again, Ridin through the stormy weatha'  
You betta button up, If you wanna go get her  
Cause it is what it is, Errybody wanna love her  
But when she pop it boy, You better run for cover  
She moves her body like a cyclone, And she makes me wanna do it all night long Going hard  
when they turn the spotlights on  
Because she moves her body like a cyclone, Just like a cyclone  
She moves her body like a cyclone  
And she makes me wanna do it all night long, Going hard when they turn the spotlights  
on Because she moves her body like a cyclone, her mighty cyclone  
(It's a wrap) when she break them boys off a typhoon  
(It's a wrap) gotta get that phatty like a boss tycoon  
(It's a wrap) now hold it steady cause she make a monsoon  
See what I'm sayin She aint playin Yeah, she got them heads turnin  
You gon' hear it clack, clack, When them heels get to burnin  
Stiletto so fuego, She got her own label And got us all doin the tornado  
She moves her body like a cyclone  
And she makes me wanna do it all night long, Going hard when they turn the spotlights on  
Because she moves her body like a cyclone, Just like a cyclone  
She moves her body like a cyclone  
And she makes me wanna do it all night long, Going hard when they turn the spotlights on  
Because she moves her body like a cyclone, her mighty cyclone  
Shawty got looks (and) Shawty got class  
Shawty got hips (and) Shawty got ass When she hit the stage, She drop it down low, like Eer  
reer reer reer reer reer reer reer reer  
Ay, This is crazy  
It's amazing, It must be the way of the lady

Eer reer reer reer reer reer reer reer reer  
She moves her body like a cyclone  
And she makes me wanna do it all night long, Going hard when they turn the spotlights on  
Because she moves her body like a cyclone, Just like a cyclone  
She moves her body like a cyclone  
And she makes me wanna do it all night long, Going hard when they turn the spotlights on  
Because she moves her body like a cyclone, her mighty cyclone
