

Take You To Rio

Ester Dean

Let me take you to rio, rio
fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo
oh oh oh oh oh, na na naLet me take you to rio, rio
fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo
oh oh oh oh oh, na na naAll in together now, hang like the weather now
(rio rio oh oh, rio rio)
right here, show me now
you know how to put it down
(rio rio oh oh, rio rio)
you gotta light girl, turn it on, here's mine, turn me on
(rio rio oh oh, rio rio)
you gotta wild side, let it out, ima make you bring it out
(rio rio oh oh, rio na na na)
Shake it up fast, wind it up slow now
just move your body girl
work it to the floor
let your body go now, now now, oh oh ohLet me take you to rio, rio
fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo
oh oh oh oh oh, na na naLet me take you to rio, rio
fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo
oh oh oh oh oh, na na na
See that you liken' now
by the way you're dancin' now
(rio rio oh oh, rio rio)
go ahead and make it count
move your body, make it count
(rio rio oh oh, rio rio)
you gotta light girl, turn it, here's mine, turn me on
(rio rio oh oh, rio rio)
you gotta wild side, let it out, ima make you bring it out
(rio rio oh oh, rio na na na)Shake it up fast, wind it up slow now
just move your body girl
work it to the floor
let your body go now, now now, oh oh ohLet me take you to rio, rio
fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo
oh oh oh oh, na na naLet me take you to rio, rio
fly over the ocean like an eagle, eagle

and we can chill in my gazebo, gazebo
oh oh oh oh, na na naLet me take you to rio
show you all around De Janeiro
Keep your back down, be like a drummer
go your light shine, girl you know you wanna
Da-da-da-da-da, da-da-dance

da-da-da-da-da, da oh oh na na naLet me take you to rio, rio
fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo

fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo
oh oh oh oh oh, na na na
Get it one more time
Let me take you to rio, rio
fly over the ocean like an eagle, eagle
and we can chill in my gazebo, gazebo
