

# The Strength To Go On

## Rise Against

Welcome home  
While away  
They have tampered with the locks  
And your things they rearranged "We propose...  
...A better way"  
Said the note they left behind  
In their wake of disarray You fell in place  
Don't fall asleep  
They'll find us here  
I know a place  
To disappear  
As a voice proclaimed  
What we are is the sum of 1000 lies  
What we know is almost nothing at all  
But we are what we are 'til the day we die Or 'til we don't have the strength to go on  
'Til we don't have the strength to go on  
Let us cry  
Let us be Let us open up our hearts  
Without fear of anything  
Faith alone's  
All we need  
To traverse this burning bridge Now before it gets too late  
You claim, "it's fine"  
But the heart reveals  
What smiles betray  
Your sad, sad eyes  
Gave you away  
Don't you know  
What we are is the sum of 1000 lies  
What we know is almost nothing at all But we are what we are 'til the day we die  
Or 'til we don't have the strength to go on  
'Til we don't have the strength to go on Our shoulders bear an awful weight  
But still we trudge on just the same  
Our colors run then leave a stain  
They blacken our once honest name  
How can we argue, tell me  
Over the fury and the fire  
How many times can we tell you that we Are not like you, we see right through  
The poor disguise that fails to fool  
The wary eye is trained on you  
What we are is the sum of 1000 lives  
What we know is almost nothing at all

But we are what we are 'til the day we die  
Or 'til we don't have the strength to go on  
'Til we don't have the strength to go on  
What we are is the sum of 1000 lives  
What we know is almost nothing at all  
But we are what we are 'til the day we die  
Or 'til we don't have the strength to go on  
'Til we don't have the strength to go on  
Yeah, we don't have the strength to go on
