

Lost Without Your Love

Bread

Lost and all alone

I always thought that I could make it on my own
But since you left I hardly make it through the day
My tears get in the way, and I need you back to stay

I wander through the night
And search the world for the words to make it right

All I want is just the way it used to be

With you here close to me

I've got to make you see

That I'm lost without your love

Life without you isn't worth the trouble of
And I'm as helpless as a ship without a wind
A touch without a feel, I can't believe its real

And some day soon I'll wake

And find my heart won't have to break

Yes, I'm lost without your love

Life without you isn't worth the trouble of

All I want is just the way it used to be

I need you here with me, oh darling can't you see
If we had love before we can have it back once more
