

You Can Get It All

Bow Wow

Uh Uh Uh,
Got me like.
Wooo-hooo
And when i think about you
That's the first thing that come to my mind.
I'm like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
That's the first thing that come to my mind.
I'm like
Wooo-hoo
Shawtie you can get it all
you can get it all
you can get it
I know you heard my reputation
You don't think i would ever do right by you
You think that if you and i was in a relationship
I would never be true (be true)
You think that anything i say is straight gang
and to me your just another new name
But what i'm tryna tell you for every man
theres a woman that'll make him change
And i believe you the one that'll make me
but any time i try to show you you shake me
I know i make it real hard for you to take me serious
but baby girl i am (i am)
And i aint stoppin' right here, i'ma keep going
And i'm gonna make sure everyday tat you keep knowing
Weather if i have to send you flowers
or talk to you on the cell-phone for few hours i'm yellin like.
Wooo-hooo
And when i think about you
That the first thing that come to my mind.
I'm like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it

wooo-hooo
And when i think about you
That's the first thing that come to my mind.
I'm like
wooo-hooShawtie you can get it all
you can get it all(One, one, one, one)
One minute you act like you like me
and then the next you dont
You still sending me crazy emails
Like i know its just sex you want
I cant lie the sex is truly incredible
And every part of your body is so edible
I get tears from just thinking bout it
But that ain't the reason why i'm stuck and cant let you go
We got a serious serious bond
And when we kick it we have nothin' but fun
I feel a whole lot of L-O-V-E between you and me
even though we still young
Just your company ain't gota get none
Talk the same lingo, understand where i'm coming fromand if anybody ask me a question about
you
i'ma tell em you the one
You got me likeWooo-hooo
And when i think about you
That the first thing that come to my mind.
I'm like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo
And when i think about you
That's the first thing that come to my mind.I'm like
wooo-hoo
Shawtie you can get it all
you can get it all, you can get itAs long as you know that
i can have any girl i want toBaby that sexual infectual
but still i choose you to be
with me and were gonna
so you better not break it up
You got me likeWooo-hooo
And when i think about you
That the first thing that come to my mind.
I'm like
wooo-hooo
Baby you can get it all,
you can get it all
you can get it
wooo-hooo

And when i think about you
That's the first thing that come to my mind.
I'm like
