

Never Let Me Down

Vize & Tom Gregory

You've got a hold on me
You take control of me
Just don't let go of me
I don't wanna lose you
You've got my head spinning
Quit all the bad thinking
Want you to last with me
I don't wanna lose you
Hold on me, take control of me
Don't let go of me, oh, never let me down
Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down
Give me higher ground
Baby, lift me higher now, now
Turn me right around
Never let me down
Give me higher ground
Baby, lift me higher now, now
Turn me right around
Never let me down
Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down
Down, down, d-d-d-d-down
Down, d-d-d-d-down
Down, d-d-d-d, never me let me down
Don't have to say nothing
You've got my mind running
Feel like I'm free falling
I don't...
