

4 In the Morning

Gwen Stefani

Wakin' up to find another day
The moon got lost again last night
But now the sun has finally had its say
I guess I feel alright But it hurts when I think
When I let it sink in
It's all over me
I'm lying here, in the dark
I'm watching you sleep
it hurts a lot
And all I know is
You've got to give me everything
Nothing less 'cause
You know I give you all of me
I give you everything that I am
I'm handin' over everything that I've got
'Cause I wanna have a really true love
Don't ever wanna have to go and give you up
Stay up 'til four in the morning and the tears are pouring
And I want to make it worth the fight
What have we been doing for all this time? Baby, if we're gonna do it, come on, do it right
All I wanted was to know I'm safe
Don't wanna lose the love I've found
Remember when you said that you would change
Don't let me down
It's not fair how you are
I can't be complete
can you give me more
And all I know is
You've got to give me everything
Nothing less 'cause
You know I give you all of me
I give you everything that I am
I'm handin' over everything that I've got
'Cause I wanna have a really true love
Don't ever wanna have to go and give you up
Stay up 'til four in the morning and the tears are pouring
And I want to make it worth the fight What have we been doing for all this time?
Baby, if we're gonna do it, come on, do it right
Oh, please, you know what I need
Save all your lovin' for me We can't escape the love
Give me everything that you have
And all I know is

You've got to give me everything
And nothing less 'cause
You know I give you all of me
I give you everything that I am
I'm handin' over everything that I've got
'Cause I wanna have a really true love
Don't ever wanna have to go and give you up
Stay up 'til four in the morning and the tears are pouring
And I want to make it worth the fight
What have we been doing for all this time?
Baby, if we're gonna do it, come on, do it right
Give you all of me
Give you everything
Give you all of me
