

100 Ways

Zhavia Ward

[Verse 1]

I don't even moon walk
I don't believe in moving backwards
If you knew just where I came from
You would understand me better, why I never

[Pre-Chorus]

Take shit for granted 'cause I ain't always had it
From my shoes to my tattoos, tryna make this a habit (Ah)
Them who think that they are stoppin' me
They don't know I got a hundred ways

[Chorus]

Hundred ways to get it every day
Only catch me restin' in my grave
I'm too busy countin' numbers
If I lose it, watch me do it
Bet I'll come up with another hundred ways

[Post-Chorus]

Hunnid, hunnid, hunnid, hunnid
Hunnid, hunnid, hunnid, hunnid ways
Hunnid, hunnid, hunnid
If I lose it, watch me do it
Bet I'll come up with another hundred ways

[Verse 2]

I'm just tryna stay way up (Way up)
Gettin' my convos in with Jesús (Jesus)
By the way he says "What's up?" (What's up?)
And He told me he forgives you

[Pre-Chorus]

Take shit for granted 'cause I ain't always had it
From my shoes to my tattoos, tryna make this a habit (Ah)
Them who think that they are stoppin' me
They don't know I got a hundred ways

[Chorus]

Hundred ways to get it every day
Only catch me restin' in my grave
I'm too busy countin' numbers
If I lose it, watch me do it

Bet I'll come up with another hundred ways

[Post-Chorus]

Hunnid, hunnid, hunnid, hunnid
Hunnid, hunnid, hunnid, hunnid ways
Hunnid, hunnid, hunnid
If I lose it, watch me do it
Bet I'll come up with another hundred ways

[Bridge]

Always got a hundred ways, yeah
Never see me run away, no
Choppa, extra clip, extendo
I do it on my own (Ways)

[Chorus]

Hundred ways to get it every day
Only catch me restin' in my grave
I'm too busy countin' numbers
If I lose it, watch me do it
Bet I'll come up with another hundred ways

[Post-Chorus]

Hunnid, hunnid, hunnid, hunnid (Hundred ways)
Hunnid, hunnid, hunnid, hunnid ways
Hunnid, hunnid, hunnid (Watch me come up with another hundred ways)
If I lose it, watch me do it
Bet I'll come up with another hundred ways
