

# Voyage to Atlantis

## The Isley Brothers

[Verse 1]

Can I go on my way without you?  
Whoa, how can I know?  
If I go on my way without you  
Whoa, where would I go?

[Bridge]

Set sail with me  
Misty lady, set my spirit free  
New love to find  
And though I leave another behind

[Chorus]

I'll always (Come back to you)  
I'll always (Come back to you)  
I'll always (Come back to you)  
I'll always (Come back to you)

[Verse 2]

She's my lady, now and ever  
Whoa, how can I know?  
Can we go all the way together?  
Whoa, let it be so

[Bridge]

So we'll say our last goodbye  
And we'll make it this time  
Ho-oh, oh, set sail with me  
To a paradise out beyond the sea

[Chorus]

Atlantis (Is back to you)  
I'll always (Come back to you)  
Atlantis (Is back to you)  
I'll always (Come back to you)  
Atlantis (Is back to you)  
I'll always (Come back to you)  
Atlantis (Is back to you)  
I'll always (Come back to you)  
Atlantis (Is back to you)

I'll always (Come back to you)  
I'll always (Come back to you)  
I'll always (Come back to you)
